INSTRUCTIONS FOR PREPARING SCHEDULE A

Contributions and other receipts from any person in an aggregate amount over \$50 during the reporting period are to be itemized separately showing the date, name and address of the contributor, description of the contribution or other receipt, and the amount. Contributions or other receipts of \$50 or less need not be itemized and are to be entered as a lump sum on the last page of Schedule A.

Date is the date the monetary contribution is received, not the date deposited, and is to include the month, day and year.

Name means the contributor's full name. When the contribution is a loan, name also means the full name of the lender and each guarantor and endorser.

Address is to include the street address (or rural route), city, state, and zip code.

Occupation of contributor. The occupation of individual contributors who contribute more than \$150 must be listed. If the individual contributor is not employed for compensation, then the occupation of the contributor's spouse must be listed.

Primary Total \$ /General Total \$. The amount of the contribution designated for use in connection with the primary and/or general election. The total amount received at the end of the row is a tally of the total amount received on that date by the donor.

Description of contribution or other receipt is to consist of the following:

- 1) If cash, mark "cash" box.
- 2) If a check, mark "check" box.
- 3) If E-Funds, e.g., credit card, pay pal, e-check or other electronic funds transfer, mark "e-funds" box.
- 4) If other receipt, e.g., rebate, refund, or miscellaneous receipt, mark "other" box.
- 5) If a loan, mark "loan" box.
- 6) If funds have been dedicated, indicate the name of the initial contributor as well as the intervening source in the name and address column.

The gross amount of your total sales of bona fide political materials is to be entered as a lump sum on the last page of Schedule A. This includes such things as political campaign buttons, hats, banners and literature, but does not include receipts from testimonials or other political events.

The total amount of legal contributions from unknown contributors should be entered on the last page of Schedule A. The Campaign Finance Act permits the acceptance of contributions of \$50 or less when the name and address of the contributor is unknown. However, the aggregate of contributions for which the name and address of the contributor is not reported under K.S.A. 25-4148 shall not exceed 50% of the amount one individual (other than the candidate or spouse) may contribute to or for a candidate's campaign. Illegal contributions should be reported on Schedule A.

The "Total Contributions and Other Receipts This Period" amount should be carried forward to Line 2 of the Summary Page.

It is illegal for a candidate for statewide office to receive more than \$4,000 per election from any contributor, for a state senate candidate, state board of education candidate, or for a local office whose jurisdiction has a population that is 50,000 or more to receive more than \$2,000, or a candidate for any other state office, or a local office whose jurisdiction has a population that is fewer than 50,000 to receive \$1000 per election. Party committees may give more than these amounts to a candidate in an uncontested primary election and in the general election. In addition, candidates and their spouses are not subject to these limitations insofar as the use of their own funds are concerned.

Purpose of expenditure or disbursement is to reflect the nature of the expenditure; e.g. newspaper advertising, printing, bumper stickers, consulting fees. In the case of party and political committees, when an expenditure in the form of an in-kind contribution is made to a candidate in excess of \$300, the name and address of the candidate, the amount, date and specific service or product provided must be listed. When an independent expenditure in excess of \$300 is made which expressly advocates the election or defeat of a candidate for state or local office, the name and address of the candidate who is subject to the expenditure must be listed.

When an expenditure is made by payment to an advertising agency, public relations firm or political consultants for disbursement to vendors, the report of such expenditures shall show in detail the name of each such vendor and the information required on this schedule with regard to each such expenditure.

The "Total Expenditures and Disbursements This Period" amount is to be carried forward to Line 4 of the Summary Page.
